I. Raising Initial Fee

- a. Krista sent a text to the whole board:

Hello! There was a miscommunication in the Nov meeting. The initial fee was originally \$225. The vote should have been to raise that \$50 to \$275. Can we please have a revote here so e may get the website updated? Please simply type "yes" if you agree with the raise or "no" if you do not agree. Thank you!
